Nuvo®

Designed by Audiophiles.
Installed by Professionals.

A HISTORY OF EXCELLENCE.

1924 Nuvo begins as the Davitt & Hanser Music Company. Later renamed Hanser Holdings International (HHI), Nuvo has become one of the most trusted names in music manufacturing and distribution.

1989 HHI acquires the world-renowned music amplification and engineering company Kustom.

1991 Kustom introduces the first integrated whole home audio system under the name Kustom Home Sound.

2002 HHI launches Nuvo, the new brand name of Kustom Home Sound.

2012 Legrand, North America acquires Nuvo. Today, Nuvo continues to deliver unparalleled innovations in sound.

DESIGNED BY AUDIOPHILES.

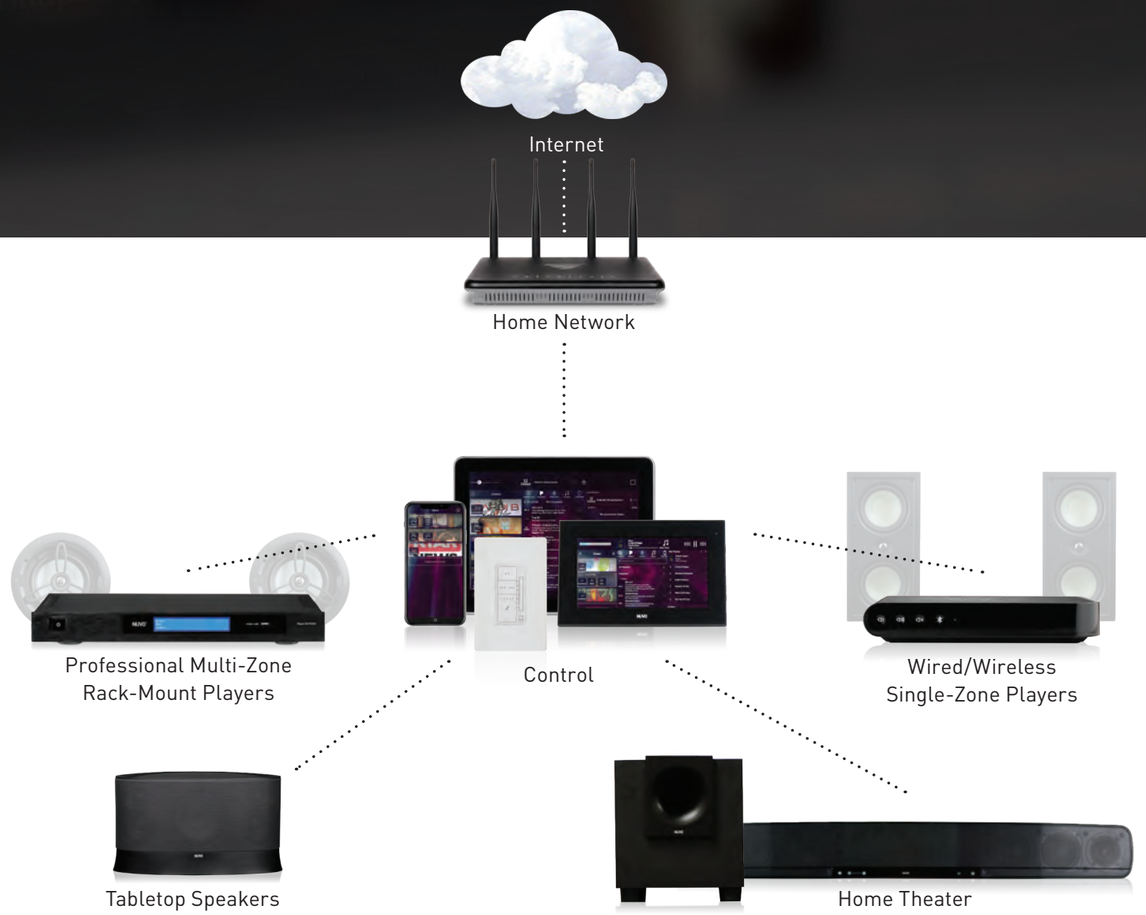
Nuvo, the award-winning product line of Legrand, specializes in advanced whole home audio systems and solutions that deliver a truly unparalleled listening experience. With a deep-seated passion for music and an audio lineage reaching back to 1924, Nuvo was born of the Kustom Home Sound brand, the same company that delivered stage amplification for professional musicians ranging from Johnny Cash to Quiet Riot. Today, Nuvo continues to deliver innovative, high-performing products for professional home audio installations.

PLAYER PORTFOLIO.

Designed with the professional installer in mind, the flexible, powerful Player Portfolio system delivers incredible high-fidelity audio to every room of the home. Conveniently available in wired or wireless configurations, the single zone Players and multi-zone rack-mount Players make it easy to build a unified whole home audio experience in up to 16 different zones. Easy to install and even easier to enjoy, the Player Portfolio offers an unparalleled listening experience with endless music options at your fingertips.

THE PLAYER ECOSYSTEM.

Simply connect a Nuvo Player to the home network and your favorite speakers. To start listening, use the free Player Portfolio app to quickly connect and set up the system. Easily expand home audio to other rooms by adding Players in other zones.



EXPLORE A WORLD OF MUSIC.

The Player Portfolio offers true listening freedom with built-in access to endless music options - from networked audio content and iTunes libraries, to an expansive variety of Internet radio and streaming services. Whether it's an old favorite or the newest hit, your home will be filled with the music that moves you.

COMPLETE CONTROL.

Nuvo Player App

Nuvo makes it easy to get right to the music you love with the intuitive Player app. By automatically displaying your favorite music services and artists, it allows fast, simple browsing with a world of music available right at your fingertips. Play different songs in every room, or stay in perfect sync when broadcasting a single song throughout the home.

NUVO PLAYER APP

Manage music library, power, and playlists, as well as Play, Pause, Volume, Mute, Skip Track, and more

Choose music from an unlimited variety of sources

Easy browsing by song, album, genre, and artist

Control music in every zone or group together to play one song throughout the home

Download app for free from iTunes and Google Play

In-Wall Keypads and Touch Screen

Enjoy intuitive control where you need it most with the Nuvo Touchscreen and Keypads. With a fixed on-wall location, these devices add a whole new layer of convenience to the Player Portfolio system, providing instant access to music for anyone in the home. Installation is a breeze with a single PoE connection.

P30 TOUCH SCREEN

Wall-mounted tablet runs the Nuvo Player app for complete management of all zones, sources, and audio functions

Sleek, high contrast 7" Android 1024 x 600 IPS capacitive touch screen

Connects easily with a single RJ45 802.11 af PoE cable

Universal mounting plate for quick installation

Available in both black and white

P20 KEYPAD

Capacitive touch backlit display provides accessible in-wall control of a single zone

Control Play, Pause, Volume, and Track Navigation

A single button allows quick access to 5 preset favorites

Connects easily with a single RJ45 802.11 af PoE cable

Designed for Livinglight, Arteor and Valena Life wall plates available throughout Europe and adorne wall plates in North America.

P10 KEYPAD

Convenient in-wall control of a single zone

Control Play, Pause, Volume, Mute, and Track Navigation

A single button allows quick access to 5 preset favorites

Connects easily with a single RJ45 802.11 af PoE cable

Available in white, light almond and nickel

PROFESSIONAL FINISH. PROFESSIONAL POWER.

Professional Multi-Zone Rack Mount Players

Deliver a powerful experience with Nuvo's high-performing, professionally-installed multi-zone players. These sleek rack mount A/V units occupy 1U of rack space, but cover three listening zones for a clean installation with maximum efficiency. Hard-wire multiple players with Ethernet for centralized integration.

P3100 PROFESSIONAL SERIES PLAYER

3 zone, with 40-watts per zone at 8 ohms

High-performance amplifier operates coolly and saves energy while minimizing distortion

Rack mount ears included

P3100 Specifications

Power	20w per channel @ 8 ohms
Network	Wired
# of Zones	3
# of Channels	2 per zone
Input	3.5mm x 3, USB x 3
Preamp Output	3.5mm x 3

P3500 PROFESSIONAL SERIES PLAYER

3 zone, with 100-watts per zone at 8 ohms

Extreme power efficiency for superior amplification, featuring Bang and Olufsen's intelligent ICEpower® audio technology

Connect additional components via RCA line in/out

Rack mount ears included

P3500 Specifications

Power	50w per channel @ 8 ohms 100w per channel @ 4 ohms
Network	Wired
# of Zones	3
# of Channels	2 per zone
Input	RCA x 3, USB x3
Preamp Output	RCA x 3

P4300 PROFESSIONAL SERIES PLAYER

Highest quality rack mount player with DSP for enhanced performance

3 zone, with 110-watts per zone at 4, 6 or 8 ohms (ohm load is selectable within the app)

Backlit touch screen supports easy setup with visible system status, zone names, and more

Large side-mounted heat sinks and no fans for convenient single-space rack mounting

3.5mm combination analog/TOSLINK jacks for line inputs and outputs

Rack mount ears included

P4300 Specifications

Power	55w per channel @ 4,6, or 8 ohms
Network	Wired
# of Zones	3
# of Channels	2 per zone
Input	Auto-sensing 3.5mm analog or optical x 3 (Toslink to 3.5mm adapters included), USB x 3
Preamp Output	Auto-sensing 3.5mm analog or optical x 3 (Toslink to 3.5mm adapters included)

FLEXIBLE SOLUTIONS.

Wired/Wireless Single-Zone Players

Introduce incredible audio into hard-to-wire spaces with Nuvo wireless single-zone players. Ideal for easily adding zones to an existing Player Portfolio System, single-zone players support both wired Ethernet or Wireless 802.11a/b/g/n configuration options for optimal flexibility.

P100 PLAYER AMPLIFIER

Give any room instant access to endless music options, or stay perfectly in sync when all zones are playing the same song

Provides a total 40 watts of power at 8 ohms to a single zone

P100 Specifications

Power	20w per channel @ 8 ohms
Network	Ethernet or Wireless 802.11a/b/g/n
# of Zones	1
# of Channels	2
Inputs	3.5mm, USB
Output	3.5mm

P300 PLAYER PREAMPLIFIER

Designed for maximum versatility, connect to any external amplifier or receiver to create a fully functioning zone

Offers all the benefits of Player Portfolio including expansive source variety, convenient app control, and stunning hi-fi quality

P300 Specifications

Power	Unpowered
Network	Ethernet or Wireless 802.11a/b/g/n
# of Zones	1
Inputs	Auto-sensing 3.5mm analog or optical (Toslink to 3.5mm adapters included), USB
Output	Auto-sensing 3.5mm analog or optical (Toslink to 3.5mm adapters included)

P200 PLAYER AMPLIFIER

Instant access to endless music options, or stay perfectly in sync when all zones are playing the same song

Connect to any Bluetooth-enabled device to listen instantly

Provides a total 120 watts of power at 8 ohms to a single-zone

P200 Specifications

Power	60w per channel @ 8 ohms stable
Network	Ethernet or Wireless 802.11a/b/g/n
# of Zones	1
# of Channels	2
Inputs	3.5mm, Bluetooth, USB
Output	3.5mm

EXCEPTIONAL EXPERIENCES.

Tabletop Speaker

Stream music to any room with this all-in-one stereo speaker and amplifier, or easily expand an existing Player Portfolio system with an additional zone of audio. With a powerful 2.1 system, the P400 fills any room with rich, full-bodied sound, and stays perfectly in sync with other zones playing the same song. Blending premium performance with installation flexibility, the tabletop speaker makes it easier than ever to listen to the music you love - whenever or wherever you might want to listen.

P400 TABLETOP SPEAKER

All-in-one single-zone amplifier and stereo speaker easily expands the Player Portfolio system

Powerful 2.1 system with 5 1/4" subwoofer, two midrange drivers, and two tweeters

Conveniently controlled with the Nuvo Player app and optional in-wall keypads

Capacitive touch controls on the device provide Play, Pause, Volume, Mute, and Track Navigation

Wired or wireless connection allows for flexible installation

P400 Specifications

Network	Ethernet or Wireless 802.11a/b/g/n
# of Zones	1
Input	3.5mm analog
Dimensions	368 W x 217 H x 149 D (mm) 14.5 W x 8.56 H x 5.88 D (in)

Sound Bar and Subwoofer

Merging the exceptional audio quality of Player Portfolio with dynamic home theater technology, the P500 delivers a cinematic experience that true audiophiles will love. With a powerful 2.1 system, complete with an 8" wireless subwoofer, the Sound Bar boosts listening experiences, playing movie, TV, or game audio in brilliant clarity. Better yet, the P500 is a single-zone Player Portfolio amplifier, granting access to networked music collections and endless streaming services. With convenient control options and simple setup, the Sound Bar delivers an immersive audio experience to complete any home theater.

P500 PLAYER SOUND BAR AND SUBWOOFER

All-in-one single-zone Player Portfolio amplifier and home theater Sound Bar

Powerful 2.1 system complete with 8" wireless subwoofer

Conveniently controlled with the included IR remote, Nuvo Player app, optional in-wall keypads, or the capacitive touch controls

Customized listening modes for music, movie, voice, and night

Mounting bracket included

P500 Specifications

Network	Ethernet or Wireless 802.11a/b/g/n
# of Zones	1

SIMPLIFIED STREAMING.

DIN Rail Solutions

Nuvo's P600 Player is the world's first streaming music player designed for the international DIN rail mounting standard. It gives any room instant access to endless audio options with built in access to personal music collections, internet radio, or popular streaming services. Compatible with all other products in Nuvo's Player Portfolio, the P600 adds ease of installation and flexibility to expand the system. It is powered by the P601 Power Supply which can be used to power up to four P600 Players.

P600 DIN RAIL PLAYER

Designed for the international DIN rail mounting standard and compatible with all products in the Player Portfolio

Give any room instant access to endless music options or stay perfectly in sync when all zones are playing the same song

Provides a total of 40 watts of power at 4/6/8 ohms to a single zone

Conveniently controlled with the Nuvo Player app or optional in-wall keypads

P600 Specifications

Power	20w per channel. 4,6, or 8 ohms stable
Network	Ethernet
# of Zones	1
# of Channels	2
Inputs	3.5mm, USB

P601 DIN RAIL POWER SUPPLY

Powers up to four P600 players

Designed for international DIN rail mounting for flexible and efficient installation

P601 Specifications

Power	24V / 18w per zone
# of Zones Powered	4

* The P600 and P601 will be sold internationally to support the DIN rail mounting standard.

DYNAMIC DELIVERY.

Digital Power Amplifiers

Nuvo class-D digital power amplifiers provide standalone power with incredible performance. These rack mount units offer clean, crisp sound with low distortion and minimal signal loss. High-efficiency design achieves ENERGY STAR standard for utilizing less than one watt of power in standby mode. With easy third party integration and a clean 1U installation, providing music the way it should be heard couldn't be easier.

D460 DIGITAL POWER AMPLIFIER

Powerful four channel stereo amplification

4 or 8 ohm selectable rating offers optional configurations

INSTALLER-INSPIRED DESIGN.

Professional Solutions

Dedicated to engineering innovative multi-room audio solutions, every product and system feature in the Nuvo Player Portfolio line is designed with meticulous detail to support the needs of professional integrators. From flexible wired or wireless configurations and simple set-up, to seamless third-party integration and effortless control, Player Portfolio is the all-in-one solution for dynamic whole home audio.

Seamless Integration

With pre-written drivers, it's easy to integrate the exceptional audio of Nuvo into advanced control systems from Vantage, Control4, Elan, Crestron, KNX, and more. **View the full list of integration partners: legrand.us/nuvo-integration**

Professional Rack-Mount Solutions

Nuvo's professional rack-mount Players provide a cleaner installation with a more efficient use of space in the AV rack.

Flexible System Design

The Player Portfolio offers a comprehensive line of scalable home audio products available in wired or wireless configurations. Flexible options including the home theater sound bar and tabletop speaker make it simple to specify the right solution for any project.

Remote Monitoring and Device Management

Domotz PRO network management software simplifies installations and allows remote monitoring, tech support, and troubleshooting of Nuvo devices from anywhere – saving installers time, adding value, and improving efficiency.

A Spare-No-Expense Attitude on Audio Quality

Offering a reproduction quality that is true to every artist and song, Player Portfolio supports true 24 bit/192 kHz high-resolution streaming audio – the way sound was meant to be heard.

OUTDOOR SPEAKERS

SERIES TWO

Impedance
8 Ohms

Sensitivity
87dB

Power
50w RMS / 100w Peak

Woofer Material
Poly

Tweeter Material
UFLC

NV-20D5-XX

NV-20D6-XX

COLOR KEY: WH BK Replace XX with the appropriate color code for part number.

SERIES SIX

Impedance
8 Ohms

Sensitivity
88dB

Power
60w RMS / 120w Peak

Woofer Material
Kevlar® / Carbon
Fiber Weave

Tweeter Material
Titanium

NV-60D5-XX

NV-60D6-XX

NV-60D5=DVC-XX

NV-60D6-DVC-XX

COLOR KEY: WH BK Replace XX with the appropriate color code for part number.

SERIES TWO LANDSCAPE

Impedance
8 Ohms

Sensitivity
86dB

Power
280w

Woofer Material
Poly

Tweeter Material
UFLC

NV-2LSK-BK
Subwoofer + 4 Satellites

NV-2LS3-SAT2
Two Satellites
