10" Cobra® Pliers 87 01 250 SBA

- patented push-button adjustment maintains jaw size setting
- easily grips pipes, nuts, and bolts
- gripping surface with special hardened teeth is wear resistant and grips any shaped object
- self-locking on pipes and nuts means no slipping on the work piece

\$29³³

Also available

87 01 300 SBA

12" Cobra® Pliers **\$40³²**

8" Long Nose Pliers 26 11 200 SBA

- elastic precision tips will not deform or bend and spring back into place
- half round, tapered jaws provide a long, thin and deep reach
- integrated side cutter with induction hardened edges for cutting soft, medium and hard wire

\$25²³

Also available

26 12 200 SBA

8" Long Nose Pliers **\$28⁴²**
Comfort Grip

High Leverage Mini Bolt Cutter 71 31 200 SBA

- precision matched, induction hardened edges cut hard, soft and piano wire, bolts, screws, rivets and nails
- 20-to-1 compound joint ratio
- ergonomically optimized handle shape allows a firm and comfortable grip for the hand

\$51⁹¹

10" High Leverage Diagonal Cutter 74 01 250 SBA

- precision matched, induction hardened cutting edges cut soft, hard, piano and ACSR wire
- heavy duty fixed forged axle rivet joint ensures smooth operation
- high cutting performance with minimum effort due to optimum coordination of the cutting edge angle, transmission ratio and ergonomic handle shape

\$35⁴⁹

Also available

74 21 250 SBA **\$36⁷¹**

10" Angeled
Diagonal Cutter

10" Auto Adjusting Water Pump Pliers 85 01 250 SBA

- the ideal tool for repetitive gripping of different size work pieces
- automatic, one-handed operation
- slim head fits into confined spaces
- guard prevents operator's fingers from being pinched
- locking lever for safe transport

\$49³⁰

**Sales Price Valid
NOW through November 11**

10" Alligator® Pliers 88 01 250 SBA

- fine, multi-groove adjustment means an optimum adjustment to different size work pieces
- self-locking on pipes and nuts = no slipping off the work piece, no knuckle-busting
- gripping surface with special hardened teeth is wear resistant and can grip any shaped object
- box joint design provides directional stability

\$21⁶⁷

6 1/4" Cable Shear 95 11 165 SBA

- for cutting copper and aluminum cables, single and multiple wire
- precision ground, hardened blades make cutting wires easier and more productive
- produces a clean and smooth cut without crushing the wire
- lightweight and compact design makes the tool perfect for use in tight spaces

\$27⁵³

4 In 1 Electrician Pliers Awg 10,12,14 13 01 614 SBA

- the ideal pliers for electrical work
- for gripping, bending, cutting and crimping
- for cutting soft, medium and hard wire
- precision cutting edges additionally induction hardened; cutting edge hardness approx. 60 HRC.

\$33⁰⁰

7 1/2" Wire Rope Cutter 95 61 190 SBA

- induction hardened cutting edges cut medium / hard wire up to 1/4" in diameter
- high leverage for reduced effort on the part of the user
- special blade geometry prevents the wire rope from fanning out
- includes a built-in crimper for end ferrules
- features an opening spring and locking lever

\$44¹⁴

Dismantling Knife 1000V Insulated 98 55 SBA

- solid, fixed hook blade
- guide shoe prevents the blade from nicking the insulation of internal wires
- stainless steel blade is vacuum hardened

\$39³⁵
