Data and A/V Connectors

Brand Features

Leviton's eXtreme® 6+ Connector is designed to be used with all Leviton QuickPort® compatible products. The connectors include Leviton's patented Retention Force Technology (RFT), which promotes consistent performance over the life of the system. Includes unique pair separation towers allowing for quicker and easier terminations. The connector is configured in a 180° configuration such that the punch field is in the back, allowing for rear termination.
