

TSL06-1LT

Color:

Light Almond

UPC Code: 07847777173

Country Of Origin: China

TSL06-1LT

Brand Features

Leviton Toggle Slide Universal Dimmers provide smooth, slide-action, full-range dimming for incandescent, dimmable LEDs and dimmable CFL loads. They combine a toggle switch with a full-range slide bar for precise lighting control. For a traditional home, the classic style of Toggle Slide Controls offers the ideal way to upgrade the functionality of devices without compromising the character of the décor.

Item Description

Universal Dimmable LED, CFL, Incandescent and Halogen Toggle-Slide Dimmer, 600W-120VAC Incandescent, 300W-120VAC 60Hz, Single Pole and 3-Way - Light Almond

Technical Information

Product Features

Phase Control: Forward phase control

Action: Toggle Switch for ON/OFF, slide bar for lighting level control

Warranty: 5-Year Limited

Preset: Slide bar preserves desired lighting level

Color: Light Almond

Switch Type: Single-Pole & 3-Way

Load Type: Incandescent, Halogen, Dimmable LED, Dimmable CFL

Available Colors: White, Ivory, Light Almond

Wallplate: Order Separately

Type: Electro-Mechanical

tsa_control: Preset Slide

Locator Light: Green locator light that can be disabled

Load Rating: 600W Incandescent and Halogen, 300W LED and CFL

Voltage: 120 VAC

Style Name: Toggle Slide

Standards and Certifications: cCSAus, NOM

Protection: Radio/TV Filter

Features and Benefits

- Designed for optimal control of dimmable LED and CFL lamps. Also compatible with Incandescent and Halogen lamps.
- Microprocessor control offers flexibility to fine-tune for best performance with LED and CFL's
- Setting available for ensuring start up for CFL lamps
- Wider dimming range for LED and CFL lamps than conventional incandescent dimmers
- Programming feature allows users to modify the dimming range to optimize low light level performance when required
- Toggle switch with built-in locator light can be disabled
- Integrated linear full-range slide control for easy, precise operation
- Separate ON/OFF toggle switch that preserves the selected setting
- Provides single pole (one location) or 3-way (two location) control when paired with a 3-way switch
- Slim, compact housing fits easily into a standard wallbox
- Suitable for multi-gang installations
- No removal of fins required for multi-gang installations
- Available in White, Ivory and Light Almond
- Built-in radio/TV interference filter
