

FR HI-DEX GLOVE

#1 IN DURABILITY YOUNGSTOWN GLOVE MFG # 12-3475-60

Youngstown's **FR Hi-Dex Glove** is designed for protection, comfort and dexterity. We take our premium goat grain leather and bond it with 100% Kevlar® fiber by DuPont. This provides the protection of a Kevlar® lining without the bunching and moving of a sewn-in liner. The entire glove is sewn into an ergonomic, 3D pattern designed to maximize comfort and dexterity while reducing hand fatigue. The Kevlar® lining creates a glove that is ANSI Cut Level A3 and ANSI Puncture Level 4. It is also Flame Resistant and Arc Rated to 27 cal/cm².
