

# WATERPROOF WINTER LINED WITH KEVLAR®

**#1 IN DURABILITY** YOUNGSTOWN GLOVE MFG # 08-3085-80

Youngstown's **Waterproof Winter Lined with Kevlar®** combines cut resistance with waterproof technology. It is a form-fit cold condition performance work glove designed to protect against harsh winter weather and job hazards.

The four-layer system comprises an ultra warm microfleece inner layer, a waterproof membrane, a cut-resistant liner made with Kevlar® fiber by DuPont™ and a durable outer shell. The high quality non-slip palm reinforcement provides greater grip and enduring performance in wet or dry conditions.
