

SAFETY LIME HYBRID LINED WITH KEVLAR®

#1 IN DURABILITY YOUNGSTOWN GLOVE MFG # 12-3190-10

Youngstown's **Safety Lime Hybrid Lined with Kevlar®** is a durable, cut-resistant, puncture-resistant work glove that is ergonomically designed for superior dexterity and comfort.

Every inch is lined with Kevlar® fiber by DuPont™ for strength and durability. The top of hand is made of a breathable, safety lime stretch nylon featuring reflective 3M™ Scotchlite™ for high visibility and safety awareness. The palm is made with high quality goat grain leather that is double-layer reinforced over the saddle and main fingertips for greater protection and durability.
