Senior Electrical Specialist to Lloyd's Register  
EMEA  
A member of the Lloyd's Register group

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

## Type Approval Certificate

**Other Conditions** The equipment is to be installed in suitable metallic cabinets in order to limit the radiated electromagnetic emissions to levels specified within LR Type

### Approval Test Specification No. 1.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

**Previous Version:** 04/00057(E2)

The Design Appraisal Document LR23214894TA and its supplementary Type Approval Terms and Conditions form part of this Certificate.
