Product #: TEY325  
 Short Description: MCCB 3P 25A BOLT-ON

**SPECIFICATIONS**

|                                 |   |
|---------------------------------|---|
| Category                        | Lighting Panel Circuit Breakers           |
| Product Line                    | TEY / Q-Line (Bolt-On)                    |
| Trip Style                      | Non-Interchangeable                       |
| Frame Type                      | TEY                                       |
| Amperage                        | 25A                                       |
| Poles                           | 3   |
| System Voltage                  | 120 Vac , 120/240 Vac , 240 Vac , 277 Vac |
| 120 Vac Interrupting Rating     | 65 KAIC                                   |
| 120/240 Vac Interrupting Rating | 65 KAIC                                   |
| 240 Vac Interrupting Rating     | 65 KAIC                                   |
| 277 Vac Interrupting Rating     | 14 KAIC                                   |
| Trip Function                   | LI  |
| Continuous Current Rated        | Standard                                  |
| Suitable for Reverse Feed       | Yes                                       |
| Long Time                       | Fixed                                     |
| Instantaneous                   | Fixed                                     |
| Current Metering                | No  |
| Protective Relays               | No  |
| Special Markings                | HACR , HID                                |
| Wire Range (Cu/Al)              | 14-8 kcmil / 12-8 kcmil                   |
| UL File #                       | E11592                                    |
| CSA File#                       | LR57114                                   |
| GSA Compliance                  | No  |
| GO Schedule                     | 135B                                      |
| UPC                             | 078316440348                              |
| List Price                      | \$316                                     |

The TEY is a one-inch wide per pole, compact, "bolt-on" circuit breaker for use on grounded 480Y/277 Vac systems. The bolt-on mounting base accessory makes the TEY suitable for varied applications as a lug-lug breaker. All TEY circuit breakers feature Quick-make / Quick-break mechanisms, common trip bars, and easy to spot trip indication to ensure safety and reliability. TEY breakers are available in 1, 2, and 3 pole versions and can be ordered with auxiliary contact and shunt trip accessories.
