

## DURATEC® Premium Reinforced Non-Detectable Tape

Premium Reinforced Non-Detectable Tape Duratek. Premier non-detectable woven polyethylene tape for the "Last Line of Defense" against third party damage. Patented reinforcing weave provides the strength needed for plowed-in installations. Will not stretch when dug into; the printed message stays intact and is easy to read. Lead-free pigments insure color vibrancy underground. Bold black letters include warning message and installation recommendations. Duratek leads the field as the strongest, patented, non-distorting warning tape ever engineered to prevent dig-ins. Manufactured in strict accordance with the design criteria as specified in U.S. Patent 4949664 and qualifies as a continuous, non-distorting signage product.
