

Connect with our New Line of Recessed Devices for Flat Screen TVs and More

Ideal for wall-mounted TVs, entertainment centers and monitors

Take advantage of soaring sales for flat screen TVs with Leviton's Recessed Devices. They offer a flawless, flush-mounted installation that's unobtrusive behind today's TVs, monitors and entertainment centers. The versatile Recessed Two-Gang Duplex Receptacle (Cat. No. 690) provides AC power and openings for six Quickport® modules you can tailor to support your customer's voice, data, video and audio needs. The Recessed One-Gang Receptacle (Cat. No. 689) supplies AC power to two components, such as a flat panel TV and video receiver. Available in White, Ivory, Light Almond and Black, Leviton Recessed Devices are the sleekest solution for home and office installations.

Applications:

- Perfect in homes, apartments, co-ops, condominiums and offices
- Installs behind wall units and entertainment centers
- Two-Gang Duplex Receptacle provides opening for 6 Quickport® Connectors

Features and Benefits:

- Flush-mounted to install invisibly behind wall units, wall-mounted Flat Panel TVs and signature artwork
- Offers a UL approved, code-compliant solution providing two 15A/125VAC NEMA 5-15R power outlets
- Wallplates are built into devices

Cat. No. 690

- Centralizes device connection points for AC power, audio, video, data and phone via opening for 6 installer-selected Quickport® connectors or blank inserts (4- inserts included)
- Fully compatible with Leviton's Quickport Snap-In modules, including component video and S-Video signal connectors (not included)
- Includes plastic electrical box designed for use in new and retrofit construction and a barrier to separate line and low-voltage conductors
- Helps installers manage home entertainment electronic applications from a single location

Cat. No. 689

- One-gang recessed duplex receptacle
- Supplies AC power for two components (flat panel TVs and video receiver)
- Fits most common electrical boxes available at Electrical Distributors and Home Centers (Electrical box not included)

Agency Standards:

- Cat. No. 689  Listed, 264B Receptacle, NOM Certified 057
- Cat. No. 690 UL Listed
