

# 42081-2TS

**UPC Code:** 07847738018

**Country Of Origin:** Taiwan

## Brand Features

Angled single-gang wallplates accept QuickPort snap-in modules to support multimedia applications with either 1, 2, or 4 ports. Use where designation windows in an economical single-gang flush-mount housing are desired. Available in four colors: white, ivory, light almond, and black (4-port only).

## Item Description

Angled Single-Gang QuickPort Wallplate with ID Windows, 2-Port, Light Almond

## Features and Benefits

- Angled ports facilitate optimal cable management, ensuring proper bend radius compliance in front and back of connector
- Includes ID designation windows for each wallplate
- Fits within minimum rectangular NEMA openings
- Compatible with all individual QuickPort UTP, fiber, and A/V modules
- Individual port configurability allows specification flexibility
- Narrow module width allows high port density in a small area
- Ideal for CAT 6A and fiber optic applications at the workstation
- Slotted mounting holes allow installers to level the plate if back box is crooked
- Recessed ports protect jack and patch cord plug
