## North Park

Popular from turn-of-the-century through the 1930's, this artistic style continues to see renewed popularity due to its clean, simple and honest designs. North Park's Venetian Bronze two-light inverted pendant features unique arching linear arms which support square etched glass to provide a softly diffused lighting effect. The North Park Collection creates a modern interpretation of two blended styles: Craftsman and Mission.

**Category:** Hall & Foyer

**Finish:** Venetian Bronze (plated)
