

200' x 1/2" Fiberglass Measuring Tape

The Empire® Level 200-Foot x 1/2-Inch Open Reel Fiberglass Measuring Tape is ideal for long outdoor measurements. With 200 feet of length, you can measure the layout of a sports field, plan outdoor construction and complete land surveying projects. The open-reel design of this Empire Level heavy-duty measuring tape makes it easy to remove debris. Its heavy-duty, high-impact, plastic case is designed for durability. Long-lasting fiberglass tape won't distort, rust or bind. The multi-purpose Empire Level open-reel measuring tape features an engineer's scale on one side and inches on the other. The tape features bold, easy-to-read numbers and graduations printed in black on the white and yellow backgrounds. Rubber hand grips provide a comfortable hold.

INCLUDES:

(1) [200' x 1/2" Fiberglass Measuring Tape \(6820\)](#)
