

Pro Series Punchdown Tool

5 Year Warranty

Description

The new **Pro Series** Punchdown Tool combines a rugged design with ergonomic function. Manufactured to provide precise, repeatable and reliable terminations every time...for a very long time! The primary tool for all telecom and data-comm installers working with 110, 66, Krone and BIX style cross connects.

- Spring loaded for fast, low effort wire seating and termination.
- Bayonet style (twist & lock) blade retention socket is compatible with industry standard tools and blades.
- 110, 66, 630, Krone and BIX style interchangeable blades.
- Color coded yellow on the cut side of the tool per industry standard.
- Adjustable low and high force impact settings are precisely controlled to meet the industry standard 8762D spec.
- Will not damage sensitive circuitry.
- Spare blade storage compartment in the handle.

Application

- Use to terminate and trim wires in 66, 110, Krone & BIX style cross connect blocks.
- Use to terminate and trim wires in 110 & 630 style wall jack modules.

Marking/Packaging

- Boxed or clamshell (C)

Technical Data

- Weight: 6 oz.
- Dimensions: 6.1" X 1.5"
