The TEY is a one-inch wide per pole, compact, "bolt-on" circuit breaker for use on grounded 480Y/277 Vac systems. The bolt-on mounting base accessory makes the TEY suitable for varied applications as a lug-lug breaker. All TEY circuit breakers feature Quick-make / Quick-break mechanisms, common trip bars, and easy to spot trip indication to ensure safety and reliability.

Navigation menu with columns: Products, Services, Markets, Resources, Your Business, News & Events, Where To Buy. Each column contains a list of links related to that category.

Industrial Solutions section with a dark background. Includes text about GE's role in electrification and a list of links: ABOUT US, CONTACT INFORMATION, PRIVACY, TERMS OF USE. Also includes GE logo and 'WORLDWIDE PARTNER' text.
