PHILIPS Lighting

Halogen A19

Halogen 43A19/EV/CL 120V 12/2 TP

Halogen bulbs reduce energy consumption without sacrificing the qualities of a traditional bulb. They uniquely produce light more efficiently. They work with dimmer switches and are available in the familiar A-shape design. Use them in existing fixtures just as you would standard incandescents and your home will look great while you save energy.
