

Av Wall Boxes

Gangable boxes

Deliver data, AV, and power side-by-side with these oversized in-wall boxes. Designed to install independently or ganged together for multiple devices. Perfect for Cat6 and 6A fiber optic cables that require a larger bend radius.

- 4" depth accepts any device
- Knockouts from 1/2" up to 2"
- Accepts low voltage partition
- NEMA spaced device mounting, accepts industry standard wallplates
- Adjustable stud mounting brackets and far side support
- Suitable for masonry application
