

# Intuity

The smart home just got a lot smarter.

## INTEGRATING HOME TECHNOLOGY IS SMART. TAKING TOTAL CONTROL OF YOUR HOME TECHNOLOGY? THAT'S GENIUS.

Combining today's top technologies for entertainment, security, comfort, and convenience, Intuity integrates high-performance Legrand subsystems and select third-party devices to create a unified ecosystem. Easily controlled through a single, aesthetic, and intuitive interface, Intuity grants easy management of an entire home with access through both the mobile devices you already love and Intuity's on-wall Command Center.

### Intuity App

Putting the power of access and control into the palm of your hand, the easy-to-navigate Intuity App transforms your smartphones and tablets into a portable control center.

### Command Center

Blending into any décor with a sleek, recessed design and capacitive touch controls, Intuity's Command Center means management of your lighting, cameras, audio, and more, from a conveniently built-in component.

**64%** Buyers are more interested in homes with smart home technology

**62%** Buyers want to control their home from their smart phone

**57%** Millennials believe that smart technology is a good investment in their home

### Multi-Room Audio

Elevate at-home listening with access to digital libraries, streaming services, & analog devices in up to 16 rooms.

### Lighting Control

Create the perfect lighting atmosphere for any activity with programmable scenes using Legrand's dimmers and switches.

### Video Door Entry System

See who is at the front door, from anywhere, for increased safety and convenience.

### Camera Monitoring

Guarantee peace-of-mind with customized alerts & the convenient remote access of indoor and outdoor IP cameras.

### Temperature Control

Stay comfortable with easy integrated control of third-party HVAC systems.

### Door Lock Control

Lock or unlock with an easy tap, utilizing Intuity for remote or mobile control of third-party door locks.

### Security Alarm Control

Arm or disarm your system with the easy touch of a button, through integrated third-party security services.

### Whole House Intercom

Enjoy easy communication throughout an entire home with interior & exterior intercom stations.
