# Side-Cutting Pliers

## Strips:

10-12 AWG Solid  
12-14 AWG Stranded

**JOURNEYMAN**

Dual-material Journeyman™ handles for better grip.

**Precision induction hardened** cutting knives outlast other cutters.

**Cuts and strips** solid and stranded wire.

**Hot-riveted joint** ensures smooth action and no handle wobble.

**Sure-gripping,** cross-hatched knurled jaws.

**High-leverage** for greater cutting and gripping power.

**Built-in crimper** works on non-insulated connectors, lugs and terminals.

**Forged steel** for maximum durability.

**Available in a counter display.**  
Automatically shipped when six are ordered.
