

TSF01-10W

Fan Speed Controls

Brand Features

The Leviton Toggle Slide Quiet Fan Speed Control provides three distinct settings to manage control of fan loads. It combines a Toggle ON/OFF switch with an integrated slide bar for the selection of low, medium or high fan speeds. For a traditional home, the classic style of Toggle Slide Controls offers the ideal way to upgrade the functionality of devices without compromising the character of the décor.

Item Description

1.5A Quiet Toggle Slide Fan Speed control, 3-speed, 120VAC, 60Hz, Single Pole or 3-Way - White
