UPC Code: 07847779643

Country Of Origin: China

DW15S-1BZ

Brand Features

Control connected loads and lights from anywhere using Wi-Fi, an internet connection and the free My Leviton app; that is all you need, no hub required. Simplify control of the residence - schedule lights and connected loads to turn on/off at specific times or based on sunrise/sunset, easily group smart devices into rooms, and create scenes to activate multiple lights at once. Supports LED and CFL technologies up to 600 Watts along with support for legacy incandescent lighting loads up to 1800 Watts, along with support for Fluorescent, Resistive, and Motor loads. Decora Smart devices are designed for countries which follow NEMA standards including the United States, Canada and parts of South America.

MEET THE FAMILY

Scroll to see features of this product, or click here to learn more about Decora Smart.

WORKS WITH NEST

Use any Nest device to act as a lighting trigger. Illuminate the porch upon motion detection, blink lights during an alarm, or turn all lights off when away – automatically.

AMAZON ALEXA VOICE CONTROL

Compatible with all products that support Amazon Alexa providing voice control of the load: "Alexa, turn on living room lights". Alexa devices (including Echo, Dot, and Tap) sold separately. Learn how to pair your Decora Smart™ devices to your Amazon Alexa device.

GOOGLE ASSISTANT VOICE CONTROL

Utilize Google Home, a voice-enabled speaker powered by the Google Assistant, to easily control smart devices as well as interior and exterior lights around the home. "Ok Google, turn [Everything] On/Off". Learn how to pair your Decora Smart™ devices to your Google Assistant device.

NO HUB REQUIRED

If you have Wi-Fi and a smartphone, you can now have a smart home! No hubs, gateways, controllers, or systems required. Simply install your devices, download the app, and start controlling/automating today. Add additional Decora Smart Wi-Fi devices at any time to expand your eco-system.

LOW-WATTAGE LED LOADS

The new lighting control accessories are engineered to function with extremely sensitive, low-wattage light sources, such as a single LED bulb in a hallway or a strand of holiday lights, ensuring LEDs do not glow when off.

AESTHETICS

Switches leverage the popular Decora form factor and styling, along with compatible accessories including three-way devices, color change kits, and wallplates. The switches feature true rocker action, pressing the top to turn on and the bottom to turn off. To meet any decor, color change kits are available in white, ivory, light almond, gray, black, and brown. For the most professional and cleanest installation, pair the device with an optional Leviton screwless wallplate.

Item Description

Leviton Decora Smart Wi-Fi 15A Universal LED/Incandescent Switch. Works with Amazon Alexa and Google Assistant, No Hub Required.

Features and Benefits

BENEFITS

- Control your lights from anywhere using the free My Leviton app for iOS and Android, no hub required.

- Voice Control using Amazon Alexa and Google Assistant devices (sold separately).

- Works with Nest – automate lighting based on cameras, thermostats, sensors, and alarms.

- Integrate with IFTTT, utilize auto-shutoff in closets, hallways and bathrooms; plus engage home vs. away to enact randomization of lighting control.

- Simplify control of your home - schedule lights and connected loads to turn on/off at specific times or based on sunrise/sunset, easily group your smart devices into rooms, and create scenes to activate multiple lights at once.

- Designed and engineered in USA; the complete solution (hardware, app and cloud) is manufactured by Leviton
