

Contractor Select **LED Troffer & LED Wraparound**

Step up to LED without breaking the bank!

The Contractor Select® GTL LED recessed troffer and LBL LED surface-mount wraparound from Lithonia Lighting® present two affordable LED options for general-purpose ambient lighting. Built on tried-and-true GT troffer and LB low-profile basket wraparounds, these LED luminaires are priced for the budget-conscious.

LED technology ensures reliable color consistency and extended service life of at least 50,000 hours. Less input watts and no lamp maintenance minimize your total cost of ownership.

- Common appearances to complement existing design applications
- 2'x4' GTL LED replaces 2-lamp T8; 2'x2' GTL LED replaces 2- to 4-lamp T8; and, LBL LED replaces 2-lamp T8
- LED technology with MVOLT (120-277V) driver
- 0-10V Dimming on the GTL LED Troffer
- Multiple lumen packages
- Best Value in Lighting®

Affordable LED from the company you have relied on for over 65 years. What will you light next?

GTL LED Recessed Troffer

- Available in 2'x2' and 2'x4' configurations, 3700 and 4000 lumens, respectively
- 3500K and 4000K
