

Recommended Stock Order Guide

Innovative and reliable emergency lighting solutions from Lithonia Lighting® deliver crucial Life Saving functionality to your interior and exterior building applications. With innovative technology, high performance LEDs and emergency batteries our Life Safety solutions are designed to exceed code, save time, money and provide peace of mind. Below is our recommended stock order for small, medium, and large order sizes.

Keep in mind, Basics are for your most competitive price points for small spaces. They have maximum mounting heights of 8' with single unit egress coverage of 10' to 14' depending on the product. You will need products from the Quantum® family to service higher mounting heights and larger spaces. Consult spec sheets for details.
