Comfort and Fit Have a New Look

NEW Uvex Avatar™ OTG with unique Weight-Distribution Technology

Introducing Uvex Avatar™ OTG

An innovation in comfort and style in the OTG market

Over-the-Glass (OTG) safety glasses are an ideal solution for workers who wear corrective lenses, as they're simply worn over their own RX eyewear. UVEEX Avatar™ OTG has a stylish ultra-light design and incorporates a unique Weight Distribution Technology and numerous adjustability innovations such as ratchet temples and fully adjustable temples and nose pad. With its ideal balance of technology and design, UVEEX Avatar is one of the most comfortable and stylish safety OTG eyewear on the market.
