

## ESX1 LED Area Luminaire

The Best Product, at the Best Price with the Best Delivery

When your project calls for low initial cost and high energy savings, the Lithonia Lighting® ESX1 LED area luminaire delivers. Three in-stock versions of the ESX1 provide the best combination of lumens, optics, color temperatures, and mounting configurations for replacing 150W to 400W HID luminaires in a wide variety of applications.

All ESX1 luminaires feature adjustable light output, providing two light levels from each luminaire, allowing greater flexibility in the field and on distributors' shelves. A reversible arm facilitates mounting to both round and square poles. Since all three ESX1 configurations are always in stock at the Acuity Brands regional distribution centers, your project will always be on schedule.

### Quick Facts:

- Replaces 150W to 400W HID
- 8,000 to 25,000 lumens
- Adjustable Light Output (ALO) technology
- Type 3 optic
- 4000K and 5000K CCT
- MVOLT
- Reversible arm mounts onto round and square poles
- DLC Premium listed
- Contractor friendly design with easy installation

# ESX1 LED Area Luminaire

## Benefits for Distributors & Contractors:

The ESX1 offers a complete area lighting package providing everything required to replace 150W to 400W HID luminaires. Adjustable light output provides two light levels from one product, allowing greater flexibility while helping reduce inventory costs. The Lithonia Lighting® ESX1 LED is competitively priced and always in stock for quick delivery.

	High Lumens	Low Lumens	HID Replacement
ESX1 LED P2	14,000	8,000	150W to 250W
ESX1 LED P4	25,000	21,000	400W

### Best Product

>70% energy savings with superior illumination when replacing HID

### Best Price

Low initial cost ensures quick payback and long-term financial reward

### Best Delivery

All ESX configurations are in stock at Acuity regional distribution centers
