Juno Trac-Lites R600L LED Track Kits

These all-inclusive track kits are the perfect solution for residential installations, or commercial/retail applications that require just a few track fixtures mounted on a small section of track. Each kit includes three universal beam R600L LED track fixtures, one 4' Trac-Lites track section, one floating electrical feed and mounting hardware. Kits are available in all R600L CCTs, CRIs and finishes to suit any retail, commercial or residential application.
