PRODUCT BROCHURE

Powering the future

Hubbell USB receptacles for every need

In today's fast-paced world, reliable, high-performance charging is essential for businesses, contractors, and homeowners alike. Hubbell's industry-leading USB receptacles offer a full range of charging solutions to meet every need—whether it's entry-level convenience charging, high-power applications, or future-proofed power delivery (PD) solutions.

Hubbell Pro 3.1A USB receptacles – entry-level convenience charging

For cost-effective USB power, the Hubbell Pro 3.1A USB receptacles provide convenient, everyday charging at an unbeatable value. Available in USB-A and USB-A/C configurations, these outlets are perfect for:

Smartphones
(iPhones, Android devices)

Small tablets
(iPads, Kindles)

Bluetooth accessories
(wireless headphones, speakers, smartwatches)

Ideal for residential spaces, these receptacles deliver affordable and reliable USB charging with Hubbell's trusted durability.

Heavy-Duty 5A USB receptacles – high-performance, weather-resistant options

For applications requiring faster charging and higher power output, Hubbell's 5A USB receptacles are the ideal choice. Available in Dual USB-A, USB-A/C, and Dual USB-C configurations, these outlets support:

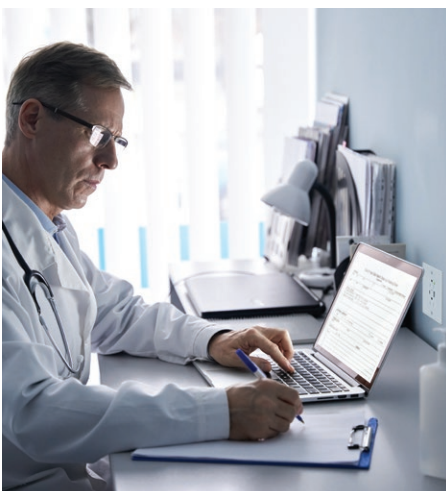

Tablets and large mobile devices with fast charge capability

Smartphones with fast-charging capability

Additionally, our weather-resistant models provide the same high-speed performance in outdoor and harsh environments, making them perfect for commercial, hospitality, and high-traffic areas.

Power Delivery (PD) USB receptacles – The ultimate in fast, future-proofed charging

For the fastest, most advanced charging available, Hubbell's PD USB receptacles deliver up to 55W of power with a dedicated PD port, setting a new industry benchmark. Available in USB-A/C and Dual USB-C configurations, these receptacles power:

Phones

Laptops (Apple MacBook®, Dell®, Lenovo ThinkPad®)

Tablets and power-hungry devices

Gaming consoles (Nintendo Switch, Steam Deck)

Future-proof your space

With the increasing adoption of USB-C and power-hungry devices, businesses and homeowners need charging solutions that last. Investing in Hubbell's PD USB receptacles ensures your space stays ahead of the curve, providing maximum power and speed for years to come.

Built to last - Unmatched durability & safety

All Hubbell USB receptacles include:

- Patented tamper-resistant technology for enhanced safety
- Stainless Steel USB ports rated for 10,000 cycles - Long-lasting performance
- Impact resistant polycarbonate construction for superior durability

Upgrade today

Whether you need entry-level convenience, high-power charging, or cutting-edge PD technology, Hubbell's USB receptacles deliver unmatched performance, reliability, and future-ready power.
