

DRIFIRE® FR DELUXE INSULATED BIB

DRIFIRE®

DRIFIRE® FR DELUXE INSULATED BIB

BIB6DNVQ2 (Navy)

BIB6DCMQ2 (Brown)

The DRIFIRE® FR Deluxe Insulated Bib is dual certified to protect against flash fire and arc flash hazards. The water repellant duck helps shed moisture while the lightweight quilted liner keeps you warm. This bib features convenient disconnect adjustable buckles at each shoulder strap and 26" zipper calf closure for easy boot entry and also features plenty of pockets to carry what you need close at hand.

- Concealed heavy duty snap fly closure
- 26" covered FR leg zipper closure for easy boot entry
- Double bib pockets
- Two back patch pockets
- Two tool pockets on sides
- Quick disconnect adjustable buckles at each shoulder strap
- Double chap front with opening to insert knee pads
- Features waistline sizing for a more comfortable custom fit
- Dual Hazard protection against arc flash and flash fire
