

1373

Item Description

15 Amp, 125 Volt, NEMA 5-15P, 2P, 3W, Snap-In Receptacle, Straight Blade, Grounding, Power Plug, Leads 14GA 6 Inch Long Wired - Black

Technical Information

Electrical Specifications

Amperage: 15 A

Grounding: Grounding

Pole: 2

Voltage: 125 VAC

Wire: 3

Environmental Specifications

Flammability: Rated V-2 per UL 94

Operating Temperature: -40°C to 60°C

Material Specifications

Clip Material: Steel Corrosion-Resistant Finish

Color: Black

Face Material: Thermoplastic

Mechanical Specifications

Panel Opening: .95 x .95

Panel Thickness: .031 - .080

Termination: Leads 14GA 6 Inch Long

Product Features

Amperage: 15 A

Color: Black

NEMA: 5-15P

Voltage: 125 VAC

Standards and Certifications

CSA Certified: LR-2781

NOM: 057

UL Listed: File E13393

Warranty: 2 Year Limited

Color: Black

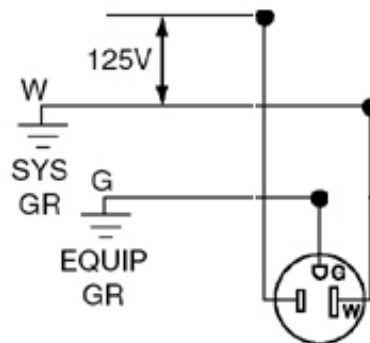

UPC Code: 07847717017

Country Of Origin: Mexico

NEMA:
5-15P
